

Dear Vajra Brothers and Sisters,

We are sending you the new procedure for enrolling in the examination to become a Santi Maha Sangha teacher. Please conserve these instructions and make them available to your fellow practitioners.

All the best,

The Santi Maha Sangha Coordination Committee

### **Examination Enrollment Procedure for Santi Maha Sangha Teacher Candidates**

- 1.** The candidate must have successfully taken the SMS exam at the corresponding level.
- 2.** The candidate should address the request for admission to the Gakyil of his or her own Gar. The Gakyil, having verified that the candidate is up to date in payment of membership dues and that Karma Yoga collaboration has been satisfactory, must also express an opinion on the candidate's capacity to relate positively to Vajra brothers and sisters.
- 3.** The Gakyil should forward the candidate's request for acceptance, together with its own reflections on the candidacy, to the SMS Coordination Center. The Center in turn will send the application to the Master and to the Gakyil of the Gar where the exam will take place. One month before the examination, the Gar should present the complete list of candidates to the Master.
